PREACHING THAT

# TRANSFORMS

---

We know that the Word of God is living and active, sharper than any double-edged sword. We desperately want our preaching not to blunt that sharpness, but to be the vehicle for God's Word cutting deep into the lives of our hearers. Yet many preachers say that application is something they really struggle with. Some find there's not much time left over for it, after precious hours spent working on the text. This day aims to help preachers new and old to sharpen our ability to apply Scripture in our preaching with all of Scripture's own sharpness.

**TIM WARD** is Associate Director of the Proclamation Trust's Cornhill Training Course. He was previously in local church ministry for fourteen years. He is married to Erica and they have a twelve-year-old son.

This conference is jointly organised by St. Andrew the Great and the East Anglia Gospel Partnership. The East Anglia Gospel Partnership is an interdenominational network of church leaders from across the region. We aim to work together, under God, to encourage local churches in proclaiming the gospel of Jesus Christ, training of Christian leaders, and strengthening and multiplying Bible-centred churches.
